Top-Features:

- **DAB+ car radio adapter with DLS (Dynamic Label Segment):**
  Enjoy first-class DAB radio reception, Bluetooth streaming and dynamic DLS text information about stations and tracks in your car. The TOP CAR 2 adapter allows you to easily upgrade your audio system in your car, van or lorry – without having to replace anything.
- **Crystal-clear digital sound:**
  Experience high-quality digital DAB sound with the TOP CAR 2 and select your favourite radio stations from a station list (up to 60 favourite stations). Thanks to DAB+, the adapter offers better sound quality than conventional FM radio.
- **Bluetooth and FM transmitter:**
  Transmit DAB/DAB+ radio wirelessly to your car stereo via the FM transmitter or line-out output. Thanks to Bluetooth, you can stream music directly from your smartphone.
- **Hands-free function:**
  When a call comes in, the adapter automatically switches from music playback mode to hands-free mode so you can take calls hands-free.
- **Easy installation:**
  The TOP CAR 2 can be easily installed by yourself. Simply attach it to the windscreen with the suction cup and neatly arrange the antenna with the included self-adhesive cable clips.
